# PAESAGGI DOMESTICI

DOMESTIC LANDSCAPES

Questo volume vuole essere una narrazione della nostra visione di design contemporaneo. Spazi lussuosi e atmosfere eleganti, da vivere e da condividere. Nuove scenografie della casa in cui ad essere protagonisti sono arredi, imbottiti e complementi che raccontano diversi stili di vita, ma soprattutto che rispondono alle nuove esigenze dell'abitare e ad un desiderio di esclusività.

*This catalogue is our definition of contemporary design. Elegant and luxurious spaces to be lived and shared. New home scenarios where furniture, decoration and upholstery are the main characters. Design solutions which portray different lifestyles and answer to new needs of modern living.*

# L'ARTE DI COMBINARE ARTIGIANALITÀ E INNOVAZIONE

WHERE ART MEETS INNOVATION AND CRAFTSMANSHIP

La Qualità come stile di vita. Creare abbinamenti cromatici personalizzati, scegliere i materiali più pregiati e abbinarli meticolosamente, lavorarli con maestria per valorizzarli al meglio. È così che lavoriamo, coinvolgendo nel processo creativo e produttivo maestri artigiani locali, tanto ambiziosi quanto noi.

*Quality as a lifestyle. Creating customised chromatic combinations, choosing the finest materials and meticulously matching them, working on them with competence to highlight their features.*

*Our work involves local master artisans, who are as ambitious as us, in the creative and manufacturing process.*
