PAESAGGI DOMESTICI

DOMESTIC LANDSCAPES

Questo volume vuole raccontare il nuovo approccio di Elledue al design. Uno stile moderno che predilige linee pulite senza però rinunciare a materiali pregiati e a dettagli raffinati. Ambienti che esprimono un lusso equilibrato, da vivere e da condividere. Scenografie della casa in cui ad essere protagonisti sono arredi, imbottiti ed elementi di fit-out eleganti, che rispondono alle attuali esigenze dell'abitare.

This volume aims to portray Elledue's new approach to design. A modern style that favors clean lines without compromising precious materials and refined details. Spaces that exude a balanced luxury to be experienced and shared. Home scenarios that frame elegant furniture, upholstery and fit-out elements as the main stars which cater to the demands of contemporary life.

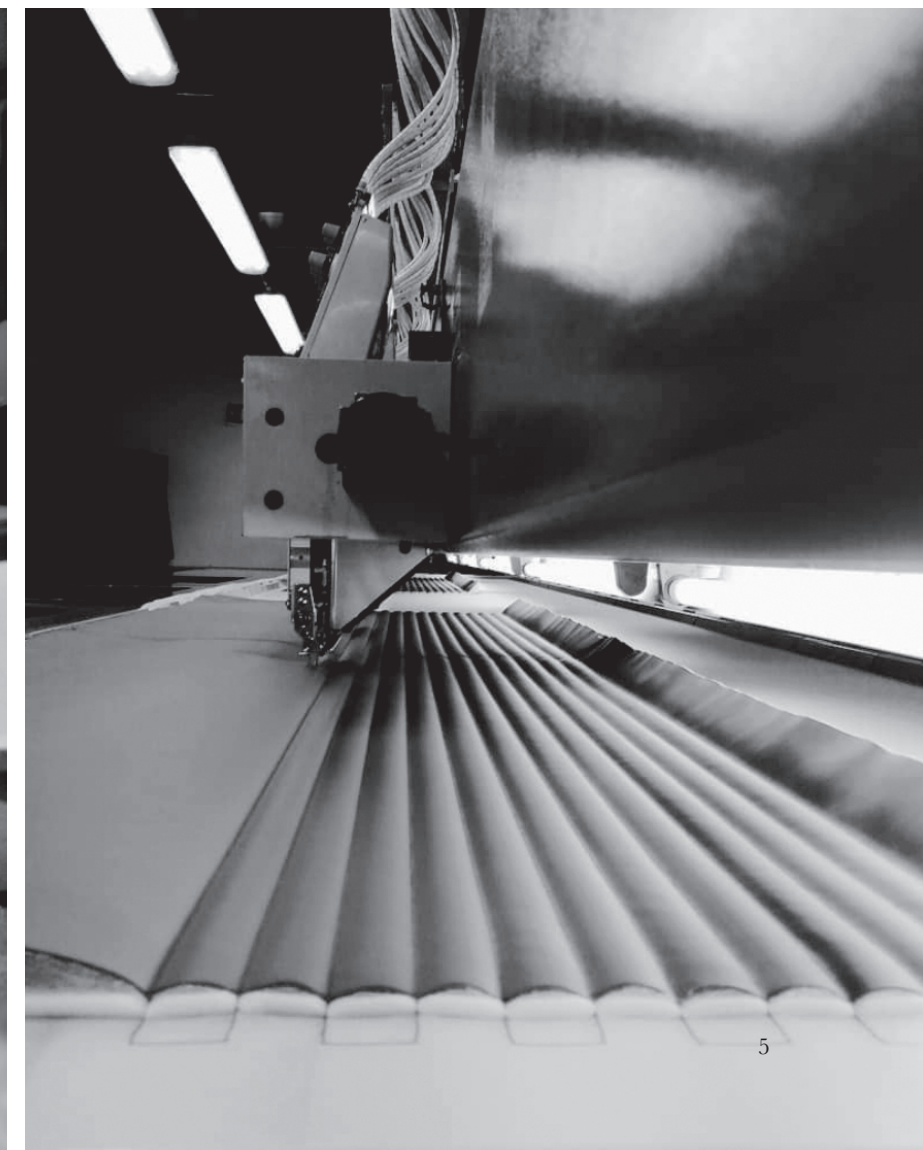

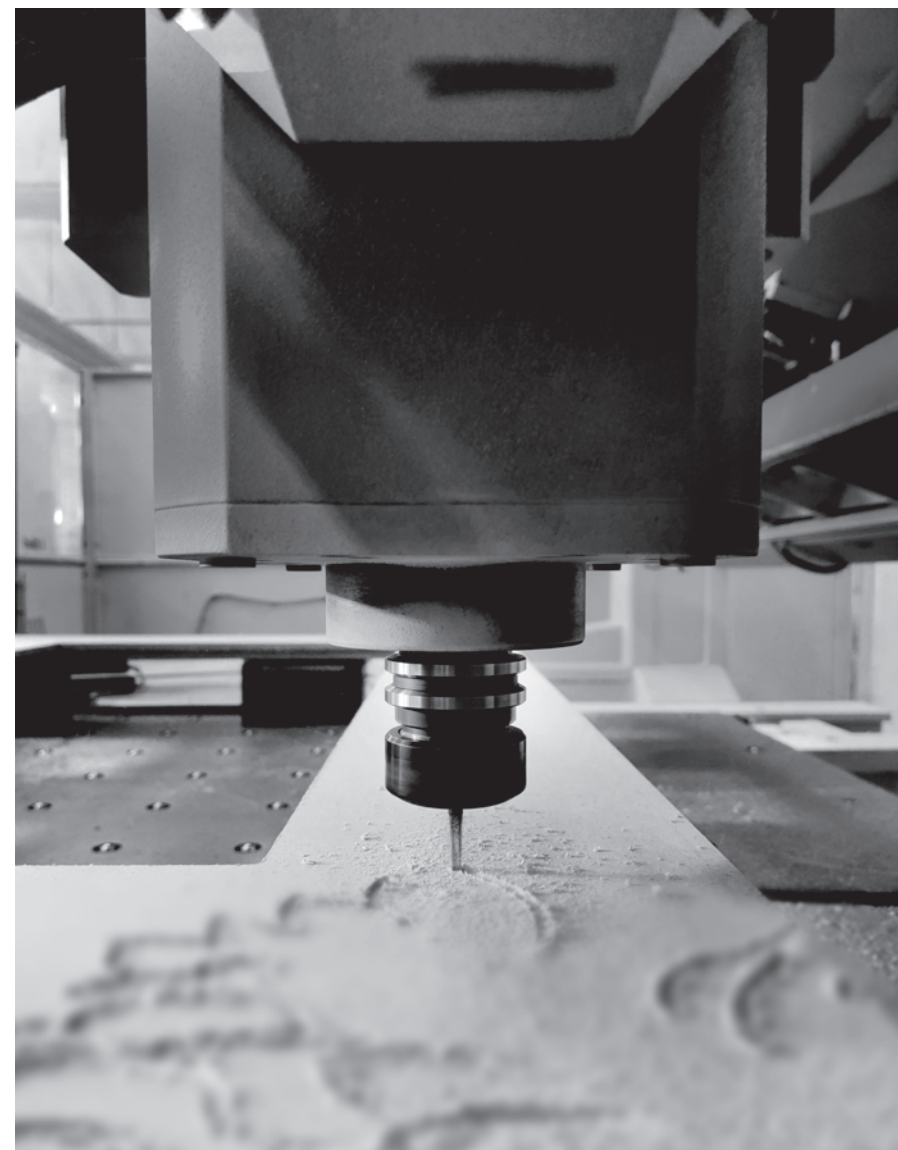

L'ARTE DI COMBINARE ARTIGIANALITÀ E INNOVAZIONE

WHERE ART MEETS INNOVATION AND CRAFTSMANSHIP

La Qualità come stile di vita. Creare abbinamenti cromatici personalizzati, scegliere i materiali più pregiati e abbinarli meticolosamente, lavorarli con maestria per valorizzarli al meglio. È così che lavoriamo, coinvolgendo nel processo creativo e produttivo maestri artigiani locali, tanto ambiziosi quanto noi.

Quality as a lifestyle. Creating customised chromatic combinations, choosing the finest materials and meticulously matching them, working on them with competence to highlight their features. Our work involves local master artisans, who are as ambitious as us, in the creative and manufacturing process.
