## VILLA

Rigoroso ed essenziale nei volumi, raffinato nella scelta dei materiali, il progetto Nanjing interpreta una casa moderna a cui i mobili, gli elementi imbottiti e i complementi Elledue regalano un'anima morbida e accogliente; con discrezione, senza invadere gli ambienti ma lasciando spazio per le passioni, il vissuto e le future avventure di chi li abita.

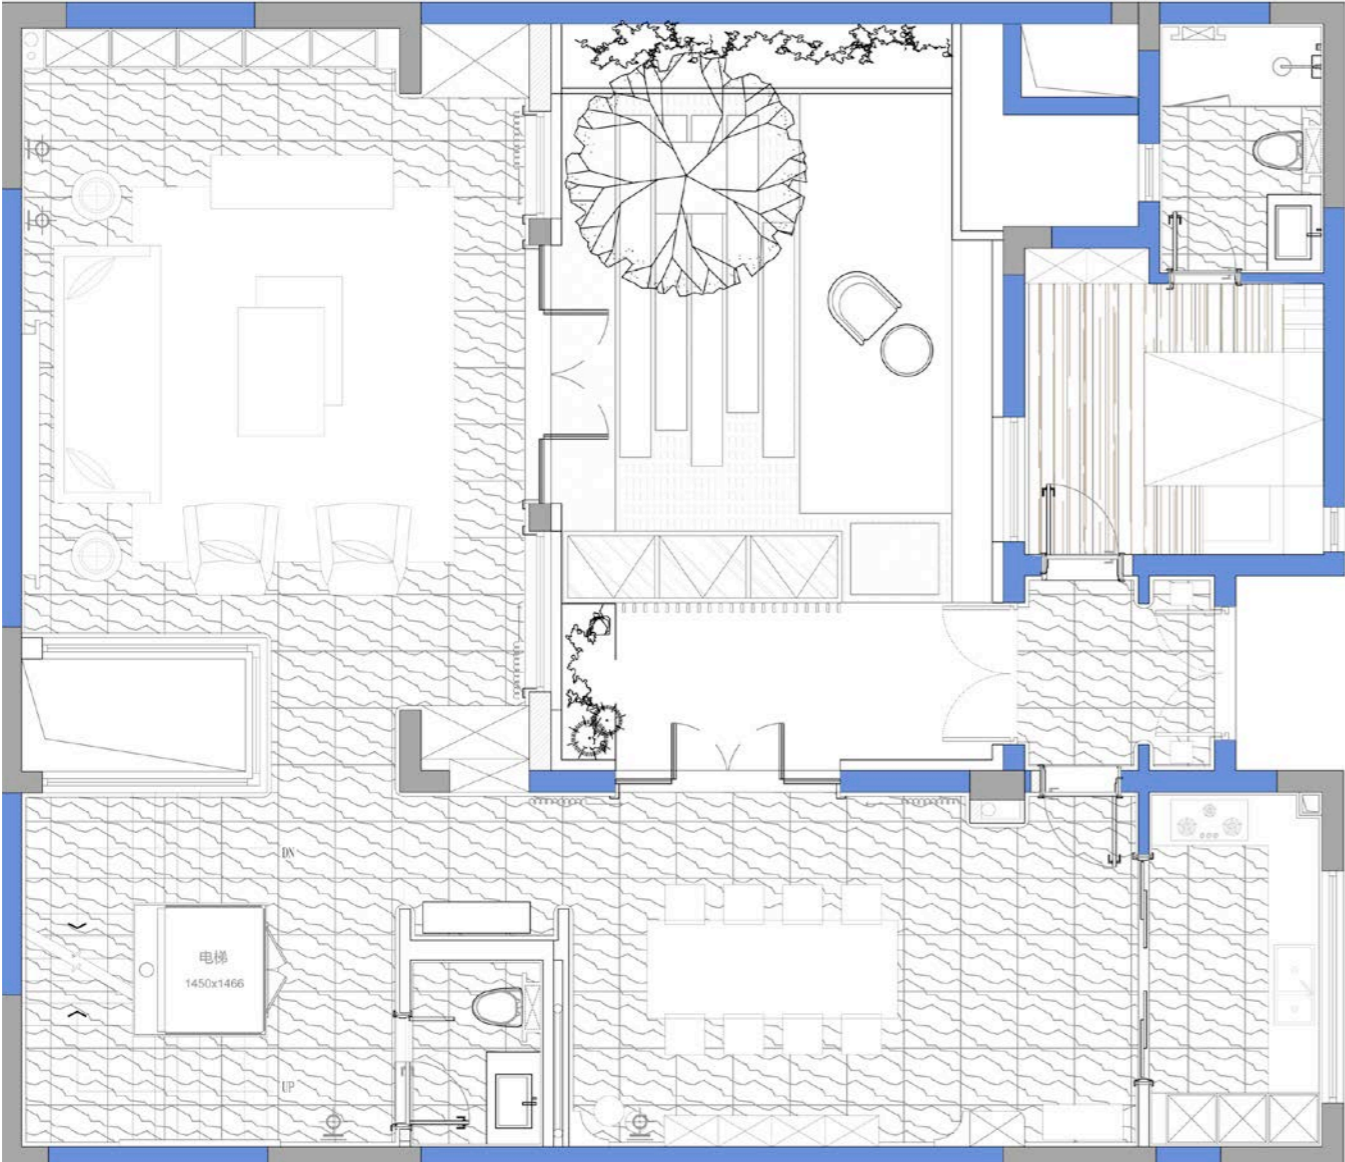

La scelta di un arredo pure custom made, attento agli accostamenti e ai materiali rende il paesaggio domestico estremamente attuale ed esclusivo.

Un progetto Elledue che ha coperto l'intero processo, dallo sviluppo al progetto iniziale alla realizzazione degli arredi, fino alla messa in opera in cantiere.

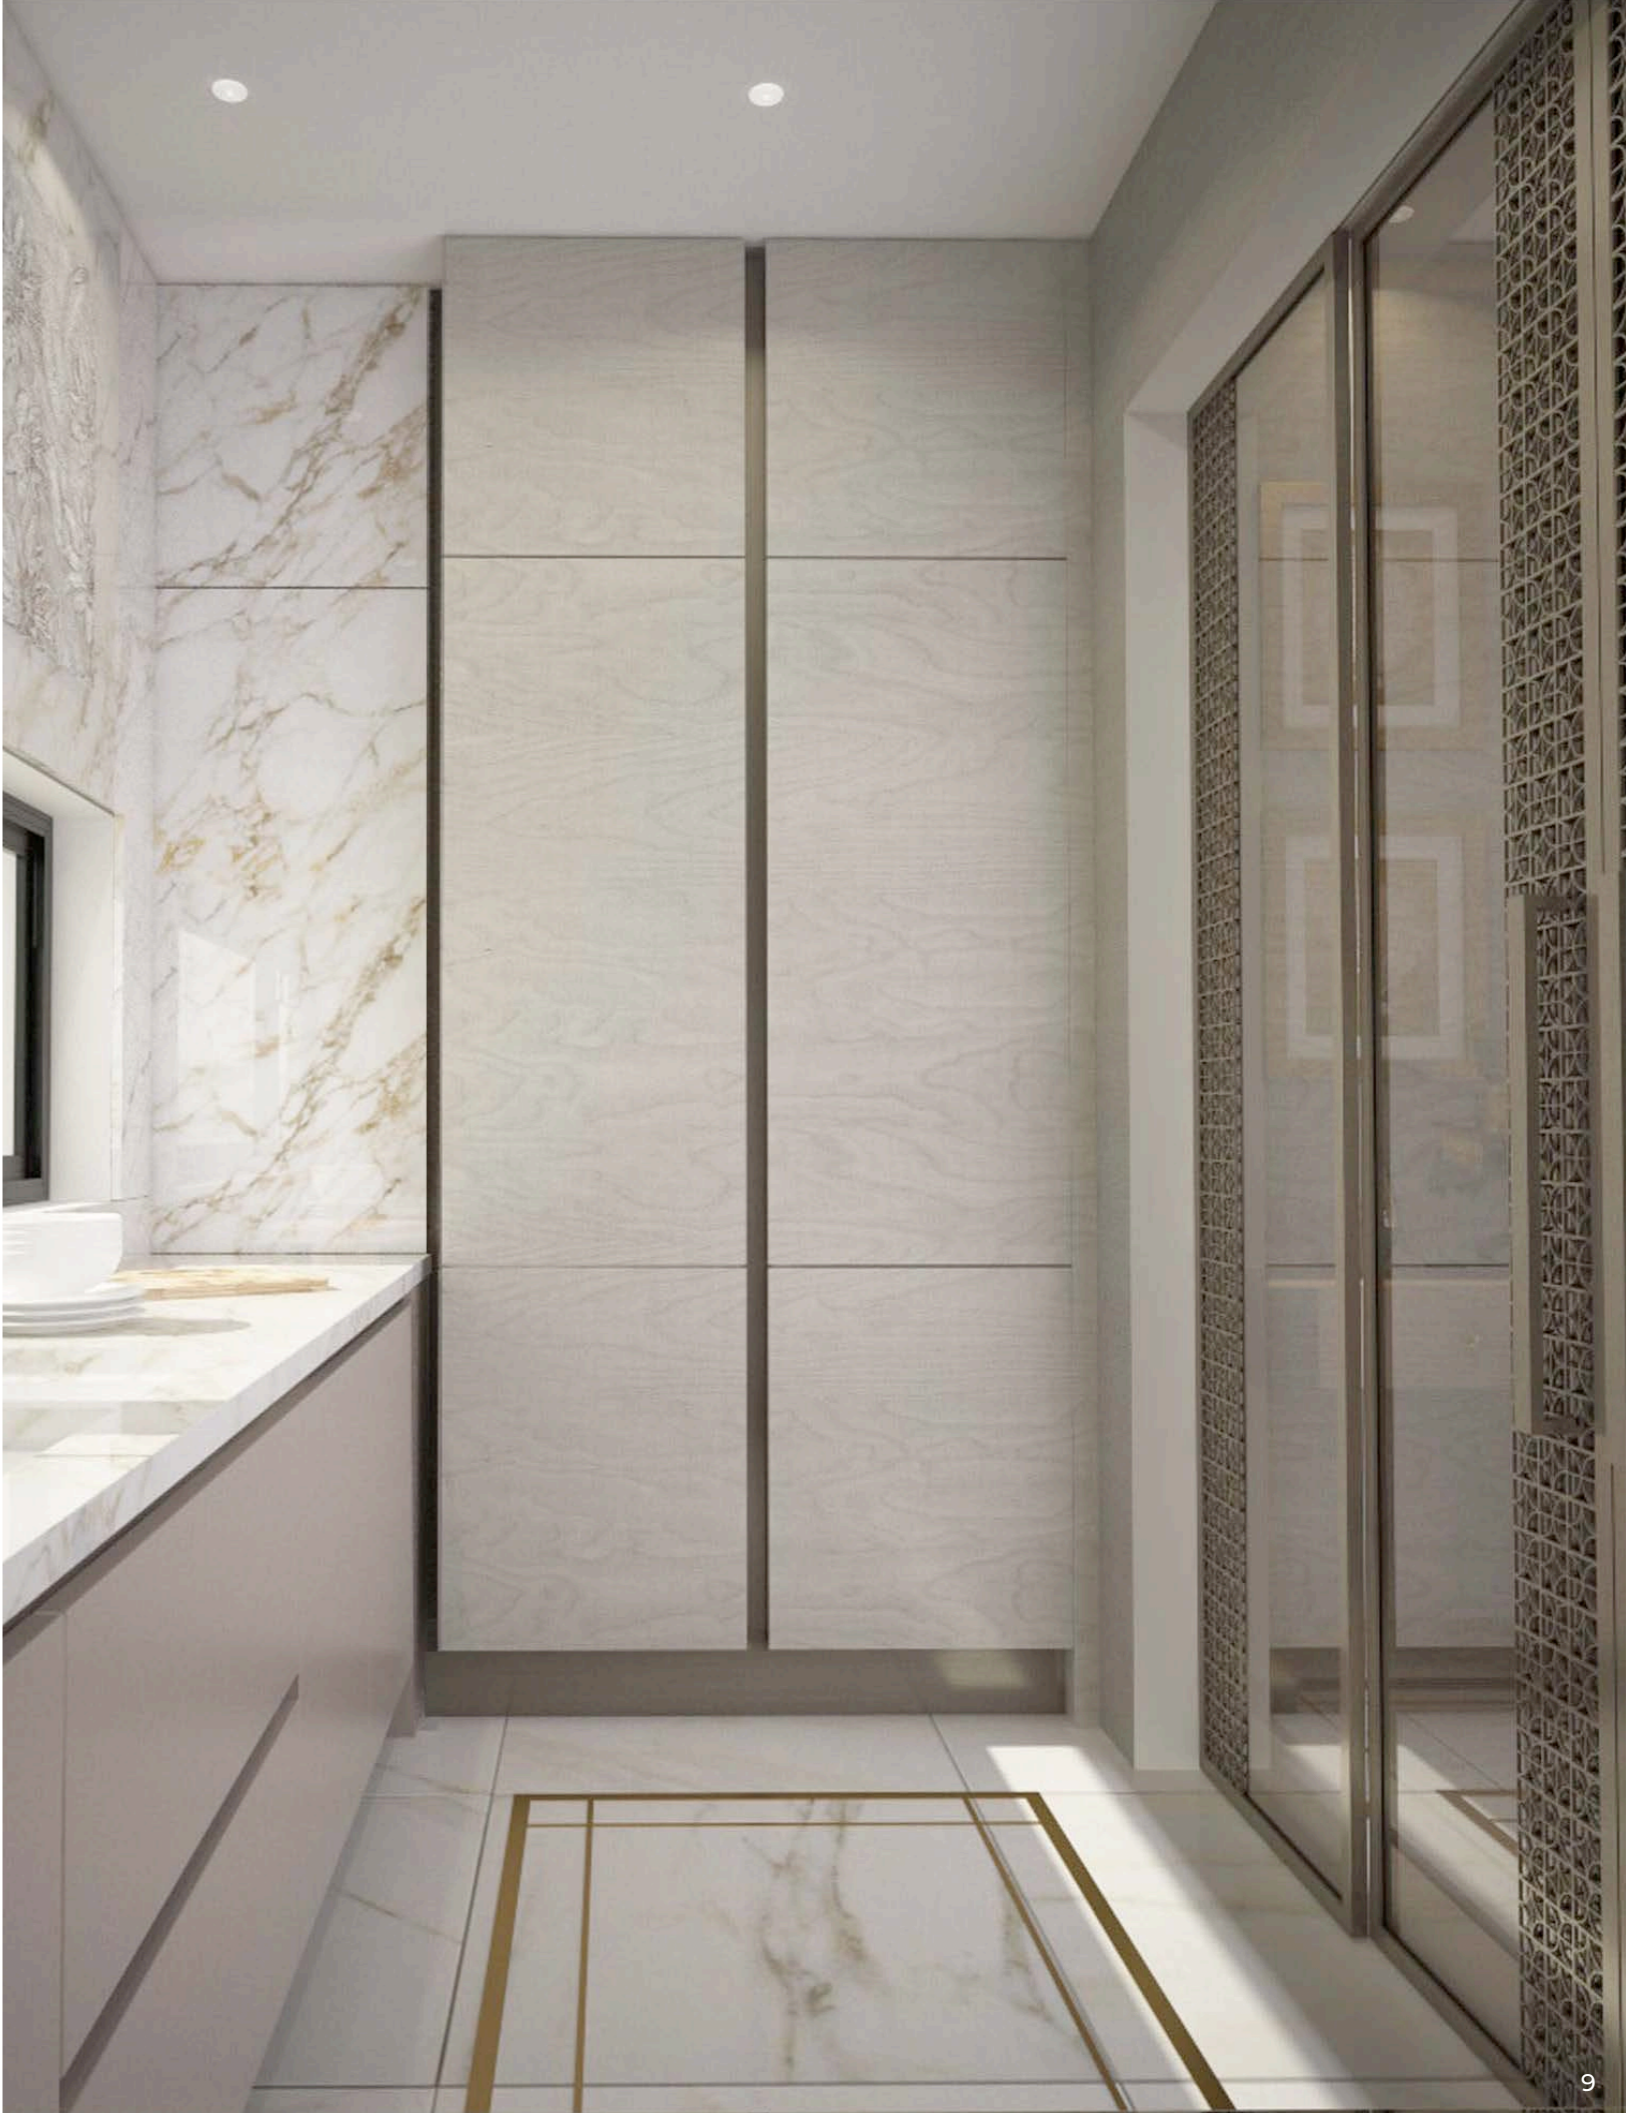

*The Nanjing project is conceived with essential volumes and a refined selection of materials. The project embodies softness and warmth through its interpretation of a modern home, featuring Elledue upholstered furniture and accessories. Discreet spaces are boundless, leaving room for passions to be explored, experiences to be lived and adventures to be embarked on.*

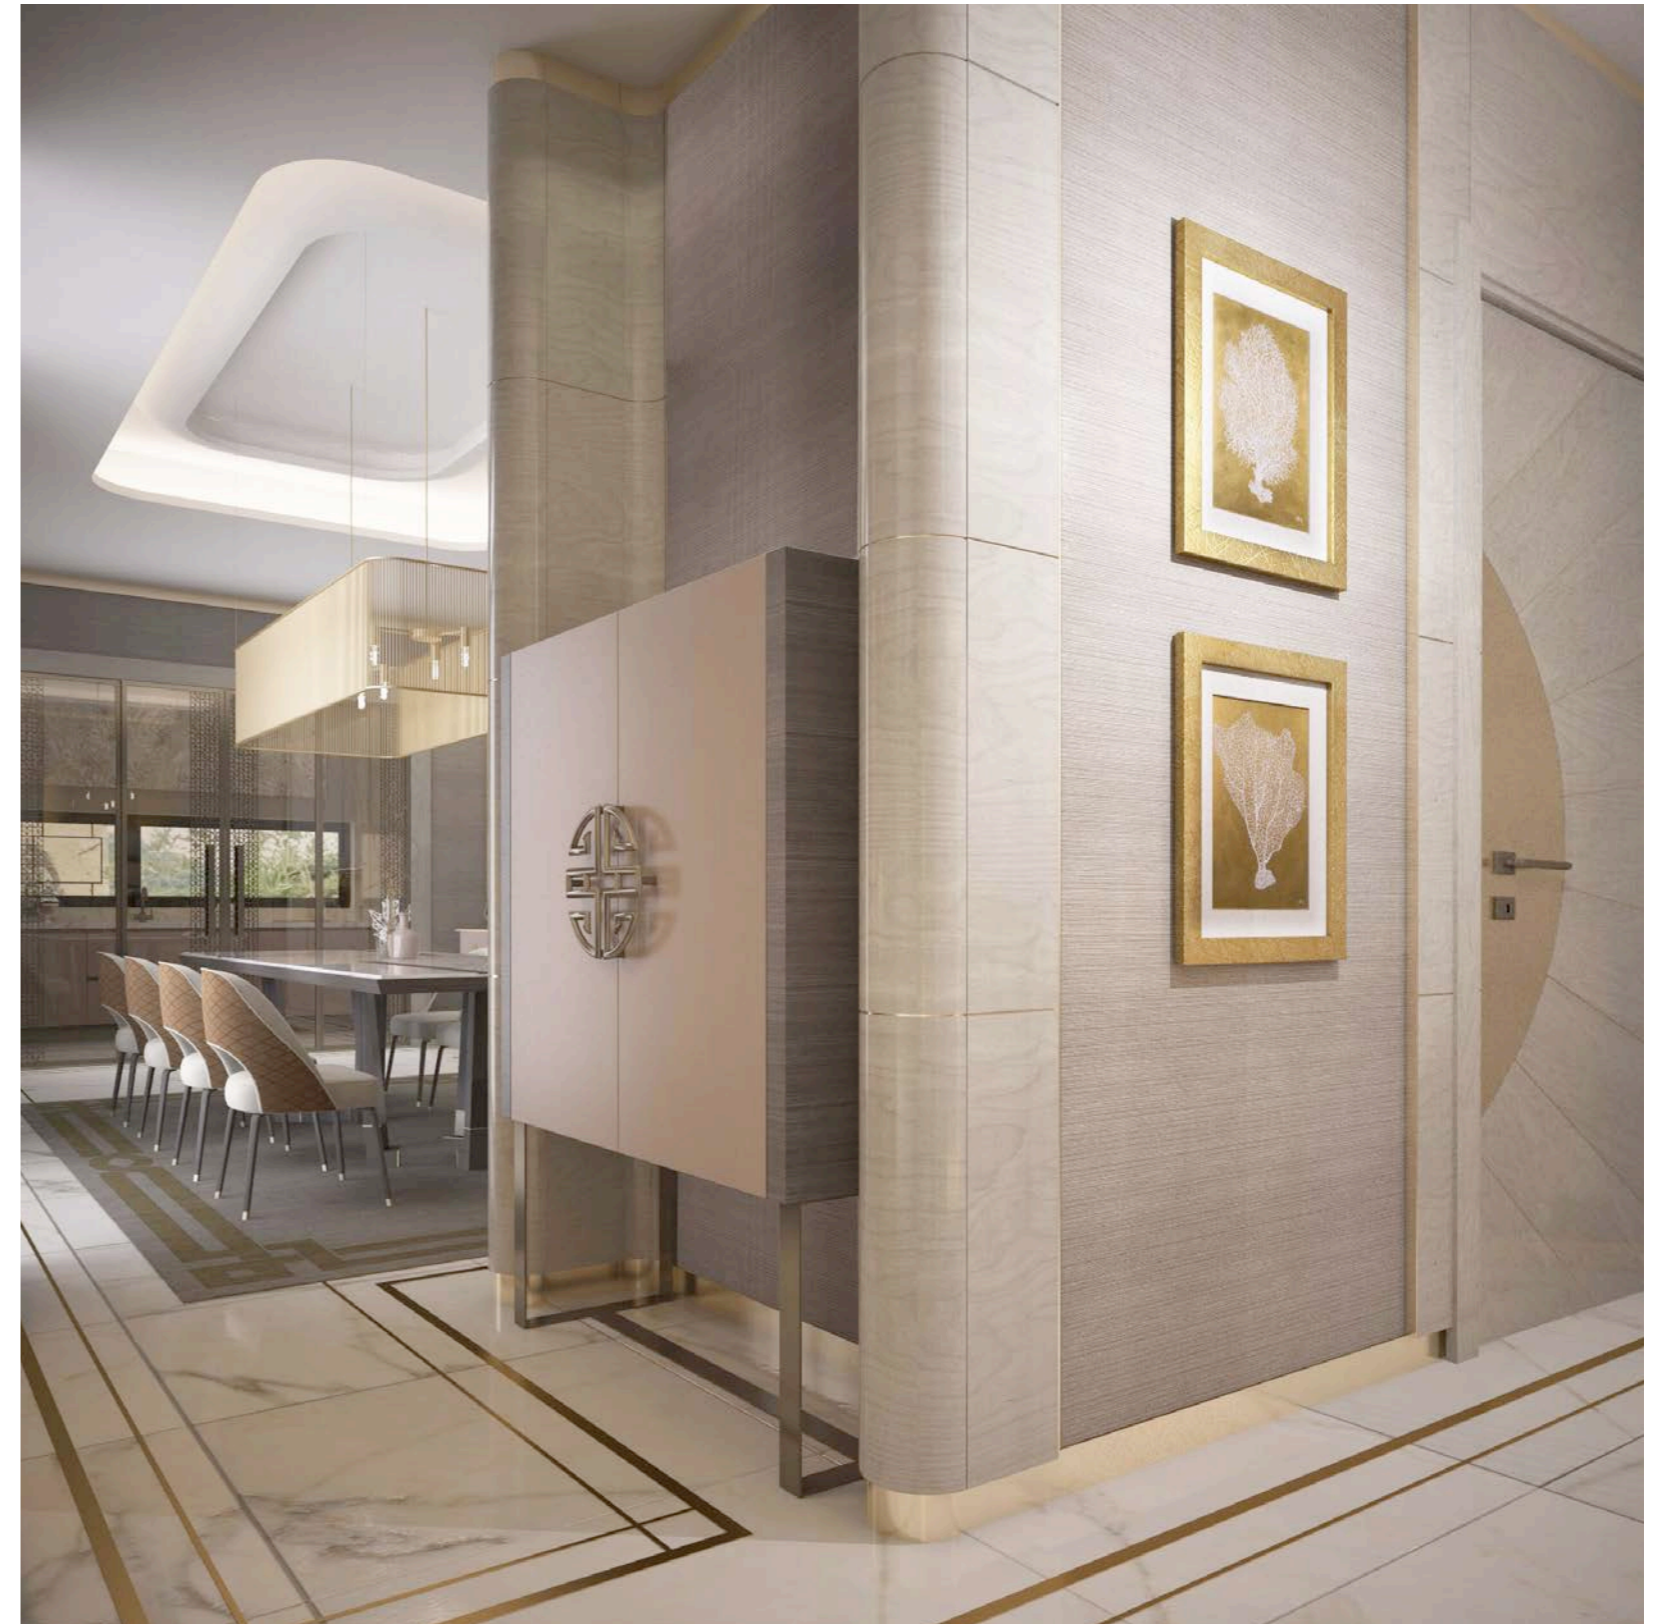

*With custom-made furniture, mindful colour combinations and materials are handled with utmost care, bringing the ultra-modern and exclusivity to the home.*

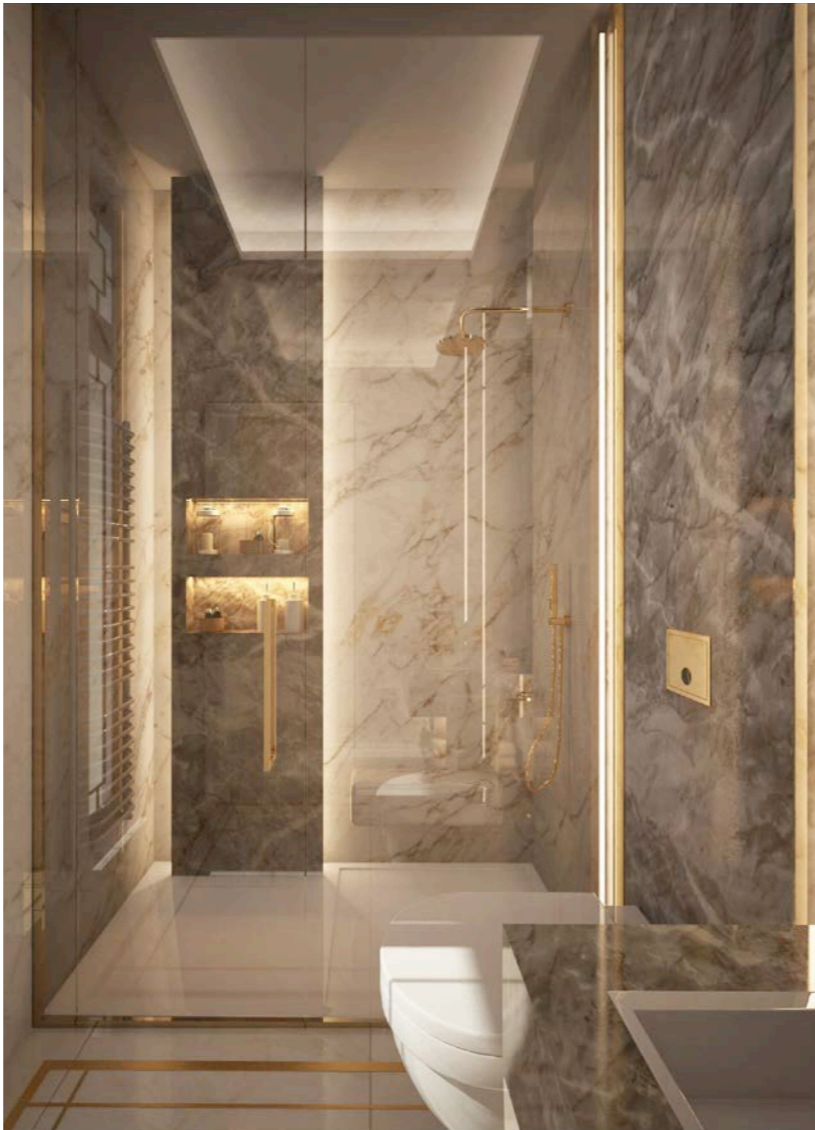

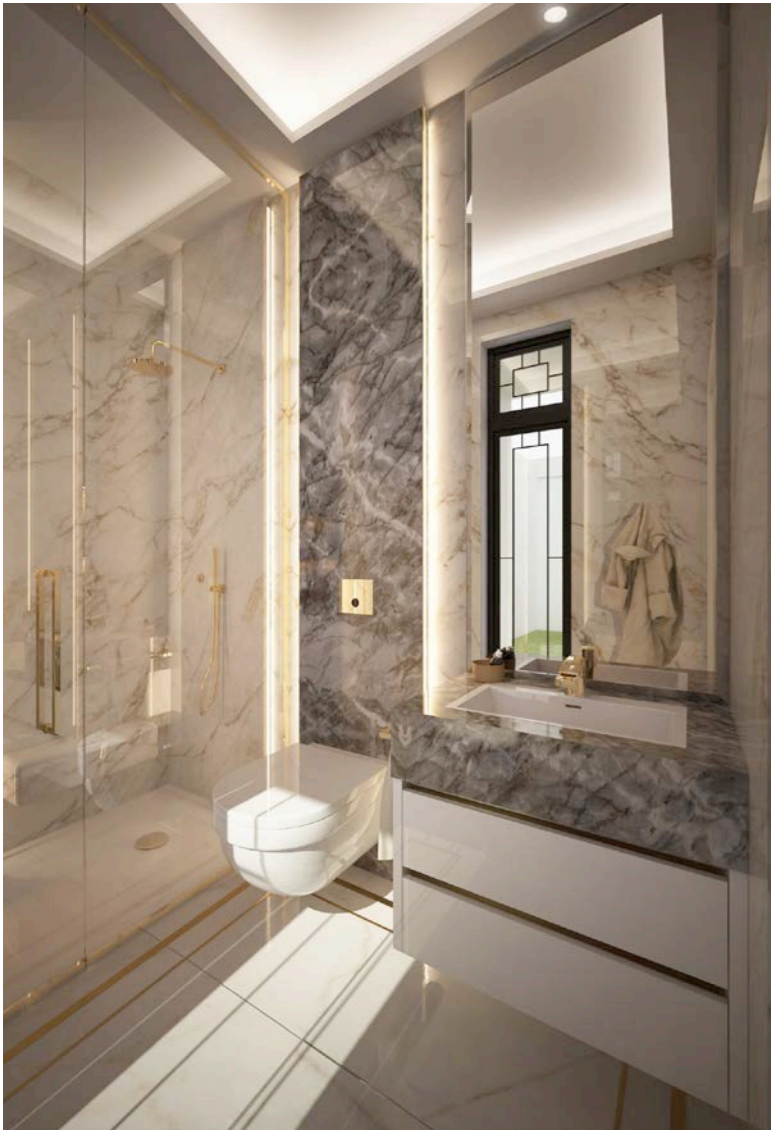

*Elledue handled this project entirely, from the initial development to manufacturing and to the final on-site implementation.*
