SARAYA

Segno, Materia, Design...

From an era, where mythical forbidden places were lost in time; from a magical cultural fusion and a yearning to perfection, a mystical revelation emerged to light: Saraya.

Saraya is a glimpse of that time, where well studied elaborate and skillful details along with eccentric richness of an elegant lifestyle were essentials.

Saraya revives the spirit of that historical period floating between myth and reality, by composing a unique collection that combines the echoes of the past integrated in a refined novelty.

A blend of carefully selected high quality materials from wood, steel and fabric, crafted to perfection and topped with graceful finishes to create the ultimate collection: Saraya.
